

CC NEW PRODUCTS

PUCK IT

Keep your bike's sidestand from sinking into soft ground or hot asphalt with the Parking Puck. This uniquely Canadian product is easy to carry and durable. It is made from authentic 6 oz hockey pucks. The sidestand cutout is moulded into the puck during production. Pucks can be imprinted with custom logos on orders of 200 or more. Available for \$8 from parkingpuck.com.

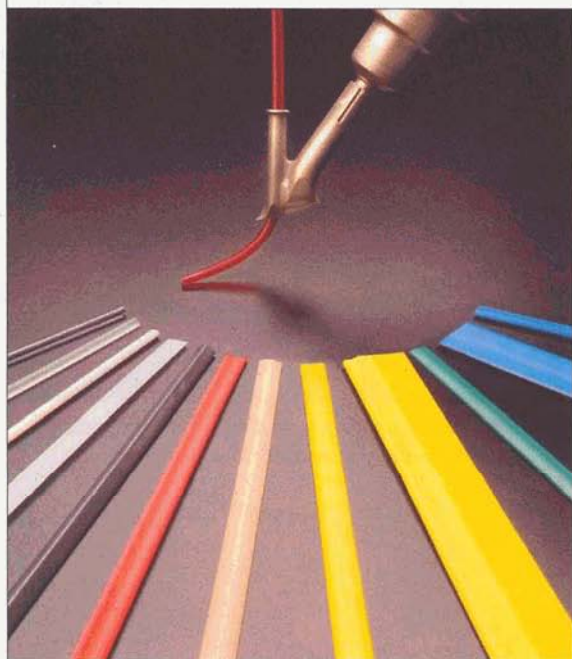

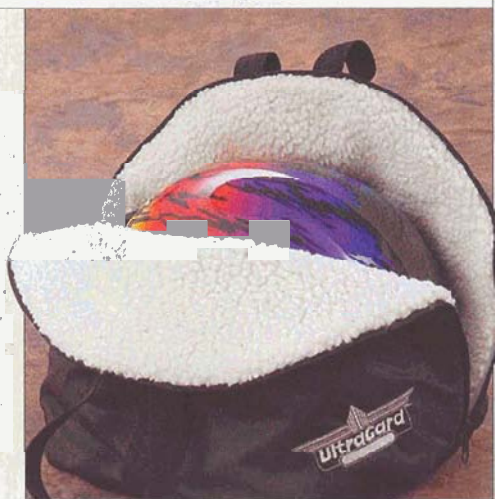

NEW FROM NOLAN

The Nolan N84 full-face helmet features inner ventilation channels with a rear air extractor for increased comfort in hot weather, and a tight-sealing weather strip around the visor opening for a draft-free ride. The fog-proof visor features a dark flip-up half shield, and a quick-release mechanism for easy, tool-free removal. Inner liner is removable and washable. Starting at \$369.95, distributed to dealers by Clary Sports; clarysports.com.

PROTECT YOUR LID

The Ultragard deluxe helmet bag has a water-resistant polyester shell with a thick fleece inner liner and impact absorbing foam. D-ring slots on the bottom allow you to lock helmet and bag to the bike. The bag measures 380 x 290 x 265-mm and holds one full-face helmet. Ultragard helmet bag, part no. 4-451A lists for \$19.95 U.S. from bigbikeparts.com.

PATCHING PLASTIC

Malcom Company, Inc. offers a full line of plastic welding rod, available in many materials, colors, profiles, and sizes for virtually any type of plastic repair. Materials include PVC, PP, PE, PC, LDPE, HDPE, and ABS. Available in 17-inch long, 1 lb bundles, 48-inch lengths, and on coils, with custom color matching. Rods are priced according to material, shape, size, and quantity. Malcom also offers a range of specialized heat guns, from malcomheatguns.com.

SPECIAL SERVICE

The S100 Special Surfaces Cleaner is a spray-on cleaner designed specifically for streak-free cleaning of plastic surfaces. It is claimed to remove insects and other soils quickly and easily, with minimal wiping required. S100 Special Surfaces Cleaner is safe for use on polycarbonates and acrylics such as Lexan, Lucite, Plexiglas and fiberglass. Available in dealers this spring.
